# THIS ONE'S

Each year, the Mirror staff has dedicated the yearbook to a special person. This year we have decided to dedicate the yearbook to the whole Medina School system. This means the administration, the faculty, and most importantly, the students. We hope that our decision has suited the needs and wants of every member of the school. We are proud to dedicate the 1985-1986 yearbook to everyone!

# VARSITY BASEBALL GOES TO SECTIONALS

The 1985 Varsity baseball team, headed by Coach Tierney, had an excellent season which led them to the N-O Sectionals.

The team was led by co-captains Robbie Beyer and Sean Carey. Juniors Bill Higgins and James Ambrose along with Carey helped the team with high batting averages.

Seniors Walter Dunn, Brian Kozody, and Chris Fuller, along with junior Trevor Thomas helped to provide a strong base for the team. Two members of the team, Beyer and sophomore Brian Fry, were named to All-League.

Although the team is losing many players, juniors Higgins, Thomas, Ambrose, and Darrin Parada, along with Fry, show promise for a good team next year.

# VARSITY SOFTBALL

With six returning starters in the line-up, the outlook of the Medina softball team looked promising. Winning the league was everyone's goal, but grasping that first place position seem to slowly slip from our hands. Highlighting the season was the fine batting averages of Liz Monell, Traci Preston, and Missy Gaygen. Sharing the pitching duties were Pam Ranallo, Julie Parry, and Holly Hiwiller. With our record only ending up to be 3-11, the friendships that were made on the field was the biggest victory anyone could ask for.

Seniors Tracie Young (100m hurdles), Bridget Hartway (long jump), Amy Pratt (discus), and sophomore Mindy Payne (1500m run) all set new records this season. Wanda Pitts, Laurie Weaver, Hartway, and Beth Hall combined to set a record in the 400m relay while Payne, Deana Smythe, Tina Wade, and Weaver set a record in the 3200m relay.

Many members, Pitts, Weaver, Hartway, Young, Hall, Wade, Smythe and Lynette Hilger, received patches for outstanding performances at the All League meet.

# NETTERS BREAK RECORD

The 1985 Varsity tennis team broke the old record of 61 straight league victories and established a new record of 68 straight league victories. They also placed first in the N-O league for the sixth year in a row.

Doubles partners, senior Sean McCloy and junior Brett Decker, put in a good show at the sectionals. They won their first match and pushed the #1 seeds to three sets. Three team members, Decker, Dennis Vanill, and Steve Balcerzak, went through the season undefeated with records of 14-0, while seniors McCloy, Tim Malte, and Steve Igoe all ended the season with records of 13-1. McCloy ended his career with an overall record of 40-2. Although the team is losing four players, Decker, with a career record of 28-0, Balcerzak, and Vanill, along with many others, look like they will provide a strong base for next years team.

The 1985 Varsity lacrosse team at Medina High School had an unsuccessful season with one win and seventeen loses. Although their luck had turned bad, they survived the season. Outstanding players were Bill Carder and Jon Rizzo, who were exceptional Senior All Stars and members of the 1985 Western New York League. All together, the team consisted of five returning seniors, thirteen juniors, and four sophomores who were all survivers of an unfortunate year.

# MEDINA SOCCER SETS RECORDS

The 1985 Varsity soccer team had a very successful season. They set 3 records this year including: the most shut-outs (2), most consecutive wins (3), and leading number of victories in a season (5). Leading goal scorers for Medina were senior Dennis Vanill, and juniors Pat Fisher and Shannon Parker. This was a good year for the seniors to look back on and a preview for the up-coming juniors. This year's juniors will make up a vast majority of the starting line up for next year. Coach O'Dea prepared the team both mentally and physically for the season in the tough Niagara Frontier League.

The Medina field hockey team ended its season with a 5-3-4 record. Togetherness seemed to be a big plus for our team but, unfortunately, togetherness doesn't score goals. Every member on the team contributed in goal scoring, with Carol Ann Champlin leading the team with 7 goals. With a new, unexperienced goalie in the line-up, the team was a bit uneasy at the start of the season but helped Megan through all of the games. Our defense and offense was nothing less than awesome but in some games we ended up on the short end of the stick. Being a senior on this team, I can only say that I am going to miss my teammates, Coach Blake and all of the good times that we shared with each other.

Mentioned to All-League were, on the first team, M. McGrath and K. Kiebala, and on the second team, D. Leffler and C. Champlin.

# BAND HAS UNUSUAL SEASON

PHOTOS BY DARRYL MODEN

The 1985 fall season was an unusual one for the Medina Mustang Marching Band. Under the direction of Drum Majorette Liz Monell, the band began their season at their home show, the Fall Festival of Bands. In following weeks they competed at Hobart College, which turned into an indoor, sneakerless performance, Kinmore East, Victor, and the State Championship at the Carrier Dome in Syracuse.

The ten-Minute show included "First Suite in Eb," "Sambandrea Swing," and "Hope For the World" a melodic combination of "Bridge Over Troubled Water" and "We Are the World." The show also featured soloists John Thomas, Peter Castricone, Penny R. Orgar, Brian Snyder, Jim Brunning, Jim Lichtenthal, Mark Weaver, and Keith Felstead.

# MEDINA SENIOR HIGH SCHOOL

As advisor to the *Mirror* staff since 1970, this is the 17th book I have had the pleasure of being associated with. It is with great regret that I announce that, with this book, The 1986 *Mirror*, I will not be continuing as advisor in the future.

Some of the most enjoyable and unforgettable moments in education have come as a member of the *Mirror* staff. I have had the opportunity to work with many bright, talented, and creative students that, normally, might never enter the art room. Most of the people who utilize their leadership skills on the staff have gone on to rewarding and successful careers.

Most people judge a yearbook only by the final result and have no understanding or comprehension of all the demands and responsibilities placed on the staff. We have always accepted the challenge of the demands and responsibilities and have always strived to give the "best book ever" to the students of Medina.

I will miss the sweat and tears of creating a book. I will miss the rewards of opening that first box of new books each year. I sincerely hope that in some small way, with my association with the *Mirror*, my expertise and leadership have resulted in a positive influence in continuing the tradition of fine and outstanding yearbooks at Medina Senior High School.
